In 2015, DCR hosted 4,085 people in 43 parks state wide to help clean beaches, pick up litter, paint buildings, plant flowers, clear trails and much more. They removed and estimated 93 tons of trash and debris from our parklands and beaches, planted 2,830 flowers, 10 trees, and 15 shrubs. Since Park Serve Day began in 2006, tens of thousands of Massachusetts residents have helped to prepare Massachusetts state parks and beaches for the summer recreation season. Please plan to come out and join in on April 30<sup>th</sup>. A list of participating parks will be published soon.
